### ***Indiana Young Engineer of the Year Award***

---

This award recognizes a young ISPE member who has made outstanding contributions to the Engineering Profession and the community during the early years of one's career.

**Qualifications:** Any licensed Professional Engineer (PE) or Engineer Intern (EI) and NSPE member in good standing, who is 35 years of age or younger as of January first in the year the award is to be presented, is eligible for nomination. Current officers of ISPE are not eligible for nomination.

**Method of Selection:** selection of the recipient based on the following criteria:

- Collegiate educational and extra-curricula achievements
- Professional society activities, positions held, and achievements
- Technical society activities, positions held, and achievements
- Community and humanitarian activities, positions held, and achievements
- Continuing professional competency
- Career positions and responsibilities after completion of Baccalaureate degree
- Engineering career achievements

**Nomination Format:** Complete nomination packets shall not exceed 15 8-1/2" by 11" pages. Submissions must include the attached Nomination Form as the cover page. This form and all accompanying sheets – except for supporting documentation -- shall be typed in 11-point Arial font. Supporting pages shall identify to which of the seven criteria categories each applies. Lastly, please provide a statement of 500 words or less, which is suitable to be used as a press release that provides an overview of the nominee's achievements and summarizes why the nominee is deserving of this award. Provide at least two media outlets to which this statement should be sent if the nominee is selected for this award.

All entries must be in a single MS Word or PDF file and be submitted electronically as an attachment to an e-mail sent to [indspe@gmail.com](mailto:indspe@gmail.com)

**Deadline:** Nominations must be time submitted on or before **April 30**.

**Presentation:** The awards will be bestowed at the ISPE Annual Conference in May or June.

# ***Indiana Young Engineer of the Year Award Criteria***

---

## **Minimum Requirements**

The nominee shall be 35 years of age or younger as of January first in the year for which the award is to be presented.

Although registration as an EI/EIT by the nominee is satisfactory, licensure as a Professional Engineer will be given greater consideration.

The nominee must be an NSPE member in good standing.

## **Evaluation Criteria**

The Awards committee members will evaluate the nominee based on the seven criteria categories and score each with a maximum amount of points based on the following table.

<b><u>Criteria Category</u></b>	<b><u>Maximum Points</u></b>
Collegiate educational and extra-curricula achievements	10
Professional society activities, positions held, and achievements	10
Technical society activities, positions held, and achievements	10
Community and humanitarian activities, positions held, and achievements	10
Continuing professional competency	10
Career positions after completion of Baccalaureate degree	10
Engineering career achievements	40
Total for all categories	100

# ***Indiana Young Engineer of the Year Award Basis for Nomination***

---

## **1.Collegiate educational and extra-curricula achievements**

Include undergraduate and post-graduate degree(s) with institution, major(s), and date for each degree; honorary societies; scholastic awards; organizations in which the nominee participated, and any other activities deemed relevant.

## **2.Professional society activities, positions held, and achievements**

These should include any non-technical organizations (e.g. NSPE, SWE, NSBE, and SHPE) at the national, state, and local level. Include affiliations, positions held, awards received, notable achievement, etc.

## **3.Technical society activities, positions held, and achievements**

Representative organizations in this category include the founding societies (e.g. ASCE, ASME, and IEEE) and any others for which the nominee's technical prowess is applicable. Include affiliations, positions held, awards received, notable achievement, etc.

## **4.Community and humanitarian activities, positions held, and achievements**

This category includes a wide swath of organizational activities, including service organizations, scouting, governmental service, religious organizations, and others intended to assist people and/or improve quality of life. Include affiliations, positions held, awards received, and noteworthy achievements with explanation of each's significance in the particular activity, etc.

## **5.Continuing professional competency**

Include all studies and course work beyond material covered in category A. Include any activity towards licensure renewal would qualify. List any significant papers published, talks presented, and articles written.

## **6.Career positions after completion of Baccalaureate degree**

Include each employer, location, dates of employment. Describe nominee's position(s) with each employer and their responsibilities, e.g. number of persons supervised, size of budget managed, and types of duties.

## **7.Engineering career achievements**

Describe nominee's accomplishments in each employment experience and the significance of them. Include customer/client feedback that reflects nominee's value. Provide information about patents either awarded or pending, awards for work performed or results achieved, and any other information that enhances the nominee's worthiness. This is the most significant category for scoring.
